

An Opening Day was organized, September 22, 2017, following the signing of the collaboration with the University of Western Makedonia.

The event was held at the premises of the University. Dr Menexiadis M., set out the benefits accruing to the students, in all aspects, from being members of the CPAI Association. In the end, students raised several queries which, were fully clarified by Dr Menexiades.

The students present, were fairly pleased with the information they received and the event considered successful.
